LEGISLATIVE COUNSEL'S DIGEST

AB 1741, as amended, Rodriguez. California College Promise Innovation Grant Program.

districts, who meet certain requirements, to support the establishment of regional programs with the goals of increasing college preparation, college access, and college success. ~~The bill would require the chancellor to annually submit to the Legislature a specified report on the status of the program.~~

~~This bill would appropriate \$25,000,000 from the General Fund to the chancellor for allocation to community college districts in order to establish the regional programs.~~

~~Funds appropriated by this bill would be applied toward the minimum funding requirements for school districts and community college districts imposed by Section 8 of Article XVI of the California Constitution, as specified.~~
